South Kitsap School District 402

Property: John Sedgwick Middle School  
8995 SE Sedgwick Road, Port Orchard, WA

Patrick Burke, Grounds Lead at South Kitsap School District is authorized to submit the Permit Application for the removal of trees which due to their location pose a threat to the security and safety of Students, Staff, and the Public. The trees jeopardize school security by obstructing the line of sight between school building and the playing fields and may cause injuries from falling debris and broken sidewalks. In addition, their proximity to the building is causing damage to the roof.
